*Bon Appetit! We opened Victoria's in the quaint, historic village of Oxford in 1997. In the early years, we were a small café serving soups, sandwiches and sweets. We've evolved over the years. We expanded our little building in Oxford, obtained a liquor license and added a full menu. In 2014 we opened a culinary studio in Goodison to conduct cooking classes and host events. Our focus on fresh, quality ingredients and flavorful, unique preparations have earned us a loyal following and a reputation for delicious food!*

*We now offer some of our house favorites and most requested dishes in larger quantities for our guests to enjoy at home, to serve at parties, business functions and family events. Items to be served hot are ready for your oven or may be picked up hot and ready to serve.*

*Ordering guidelines: At least 48 hours notice is required to avoid rush charges. \$50<sup>00</sup> deposit required. Please call ahead for seasonal specialties and consultations. 24 hours notice required for cancellations or deposit will be forfeit. Menu and prices subject to change. Prices do not include sales tax. Delivery and/or staffing subject to availability and will require additional charges. Paper goods supplied for an additional charge.*
